AN EXCLUSIVE EVENT FOR SENIOR OFFICIALS IN EMERGENCY SYSTEMS IN HOSPITALS, MEDICAL INSTITUTIONS, AND GOVERNMENT INSTITUTIONS ENGAGED IN EMERGENCY & EVACUATION

A GLIMPSE INTO ISRAEL'S EXPERIENCE IN MASS CASUALTY MANAGEMENT

Pandemics, terror attacks, wars, and natural disasters are challenging healthcare systems globally

Learn from our recent experience how to better prepare your hospital for the unexpected.

Join us for one-of-a-kind virtual event that will provide insights into how the Israeli healthcare system has successfully managed mass casualty incidents and built a world class emergency preparedness framework.
